C.G. Jung

The Portable Jung

Edited by Joseph Campbell, Translated by R. F. C. Hull

Edited by mythology expert Joseph Campbell, this is an excellent introduction to Jung's work in his own words. Read 'Chapter Eight – General Description of the Types' to learn first-hand where all of the type material used today started.

Modern Man in Search of A Soul

By C.G. Jung

This book contains Jung's follow-up essay on type, written a decade after *Psychological Types*. See 'Chapter 4 – A Psychological Theory of Types.'

Jung to Live By

By Eugene Pascal

A guide to Jungian principles. Specifically, see 'Chapter 2 – The Functions of Consciousness, Otherwise Called Typology'

Psychological Types

By C.G. Jung

Written in 1921, read the 10th section of the book 'General Description of the Types.' This section is also found in *The Portable Jung*.

Memories, Dreams, Reflections

By C.G. Jung

Jung's autobiography is honest, witty and the most readily accessible of all of his writings. In it he says his type work was "an effort to deal with the relationship of the individual to the world, to people and things."

MBTI

Gifts Differing: Understanding Personality Type

By I.B. Myers and P.B. Myers

The developer of the MBTI explains how the Indicator was developed from Jung's theory, describes the 16 different types, and explains how to use type 'for the constructive use of differences.'

Looking at Type: The Fundamentals

By Charles R. Martin, Ph. D.

One of the best descriptions of each of the 16 different types.
